MOBILE COVID-19 TESTING INDOOR EVENT

Optum Inc. testing partnership coordinated by Division of Emergency Preparedness-Indiana State Department of Health through Dearborn County Health Dept. Dearborn County was chosen based on existing access to testing through local hospitals, clinics and other locations, counties with low testing numbers, and communities with underserved, at-risk, or minority populations. The state tried to ensure they provided evenly distributed testing access within neighboring counties.

Start Date: May 13– Wednesday

Monday-Friday 8am – 8pm

Location: Lawrenceburg Community Center

423 Walnut Street, Lawrenceburg, IN 47025

- Online Testing Event Registration for Patients:
<https://lhi.care/covidtesting>
