THAT’S WHAT FRIENDS ARE FOR

Did you know that public libraries are prohibited by law from purchasing with property-tax dollars many things that we’ve all come to expect in our libraries?

To fill what would otherwise be a void, the Friends of the Lawrenceburg Library District was formed nearly 20 years ago. Friends of the Library is a grass-roots non-profit organization whose members volunteer their support for our libraries in many ways, including fund-raising efforts.

For example, Friends of the Library funds the entire spectrum of library programs and activities so that no one ever has to pay a fee to participate and enjoy. For example, Friends funding includes craft and cooking class supplies, speaker and program presenter costs, refreshments, film licensing, and many costs associated with reading programs for children, teens and adult.

As needs and ideas arise, Friends also purchases items such as furniture and equipment, educational toys and furnishings, and plantings for entries and courtyards.

Friends raises money through dues and donations; the collection and sale of used books, magazines, DVDs and CDs; and the Great Bake Sale.

The organization will hold its final 2018 meeting at 5 PM Tuesday, December 4, in the Ewbank Meeting Room at Lawrenceburg Library. Please join us there and learn how you can contribute a little or a lot, whatever works for you … time, talent, money, leadership, discussion and decision-making about how the library uses Friends dollars.

See you there!
