FRIENDS UPDATES
April showers brought May flowers – and so did Friends of the Library. Each year the Friends purchases and plants the flowers that greet you all summer at the entrances of the main and branch libraries. This year, in honor of Indiana’s Bicentennial, blooms of red, white and blue were chosen.

On September 17, the Indiana Bicentennial Torch Relay will pass by the Lawrenceburg Library on its five-week, 2,300-mile journey through Indiana’s 92 counties. The Friends will be a part of the many activities at the library on that special day.

Friends of the Library exists to provide lots of “extras” to enhance our libraries and your library experiences. Membership dues are incredibly modest, yet they add up to a lot of the programs and furnishings that you and your family and friends enjoy.

Please consider becoming a Friends member. It’s easy to join. Ask for an application at a Service Desk or print one from the library website: WWW.LPLD.LIB.IN.US > COMMUNITY > FRIENDS OF THE LIBRARY.
