Civista Charitable Foundation awards grant to Genealogy Dept.

LPLD Genealogy Department Manager Rachael Scott, left, and Youth Services Manager Sheila Bigelow, right, join Amanda Corsmeier of the Civista Charitable Foundation to accept a grant for the genealogy department.

The Civista Charitable Foundation recently granted the Lawrenceburg Public Library District Genealogy Department with a grant of almost \$1,000 to purchase a new book scanner and a flatbed scanner.

"The book scanner is to digitize parts of our collection, in an effort to make them more accessible to the public. The flatbed scanner will be used to get a digital repository up and running. I want to protect and preserve images from Dearborn County's history," said Genealogy Department Manager Rachael Scott, who appreciates the Foundation's generosity.

Summer reading list picks: Friends edition

This month, the Friends are taking a summer break from event planning & fundraising to enjoy the warm weather and relax after a number of events in the Spring, including our Poetry Slam, Kindfulness Fair, and Book Sale. If you, too, are refreshing your summer reading list, here are some recent picks we've been enjoying or plan to soon:

Clytemnestra, a debut novel, by Costanza Casati, is an account of the villainess of the ancient world and events that led her to be forged into a legendary queen. If you enjoy retellings of Greek mythology

and strong female leads, check out this book, which is on-order with our library.

Reading List by Sara Nisha Adams is a novel set in West London, walking readers through the tale of a widower Mulesh and his journey of finding connection through books. It has been cited as, "a quietly, beautiful novel about the magic of books" and "the most heartfelt read of the

summer."

Wish You Were Here by Jodi Picoult is a story that takes place in NYC and the Galapagos Is-

lands during the 2020 pandemic. It's a story of loss of control, strength, and belief in self. Called, "A powerfully evocative story of resilience," the movie rights to this book have been picked up by Netflix and could be coming to screens in the future.

The Housemaid by Frieda

McFadden is a suspenseful thriller about a housemaid who takes a new job with a wealthy family and quickly realizes how dangerous the family's secrets are. This binge-worthy read will keep you on the edge of your seat & will soon be available at our library.

Flags on the Bayou

By James Lee Burke

In the fall of 1863, the Union Army is in control of the Mississippi River. Much of Louisiana, including New Orleans and Baton Rouge, is occupied. The Confederate Army is retreating toward Texas, and being replaced by Red Legs, irregulars commanded by a maniacal figure, and enslaved men and women are beginning to glimpse freedom. When Hannah Laveau, an enslaved woman working on the Lufkin plantation, is accused of murder, she goes on the run. Wade Lufkin, haunted by what he observed—and did—as a surgeon on the battlefield, has returned to his uncle's plantation to convalesce, where he becomes enraptured by Hannah.
